## Client Testimonials

*"The Enoch Pratt Free Library hired Pierre Campbell as a presenter for our Staff Development day last fall. Mr. Campbell delivered two successful workshops on "How to Do More with Less Resources." I was fortunate enough to attend one of the sessions and I was extremely impressed with the wealth of knowledge Mr. Campbell had to offer. The way Mr. Campbell crafted his presentation to fit the personal needs of the class was phenomenal. Mr. Campbell took the time to research the Library's rich history and its functions. It really surprised those of us in his workshop, because Mr. Campbell knew more about the Library's history than we did. This was a sure sign of someone who takes his craftsmanship very seriously and professionally. We look forward to having him speak or train us again in the near future. Mr. Campbell thanks for sharing your leadership, management, and personal development strategies with us."*

— **Willie J. Johnson Jr.**, Branch Manager,  
Enoch Pratt Free Library

*"On behalf of everyone that was present during the "Working with Multiple Generations in the Workplace" another round of applause. I got a lot of positive feedback on how engaging and gratifying everyone felt afterwards. I was requested to tell you it was not boring and everyone was wondering why we had so much laughter echoing thru the walls."*

— **John A McDaniel 3rd**, Prep-Dispense Coordinator,  
University of Maryland Dental School

Several of our students were also privileged to attend a workshop that Mr. Campbell facilitated entitled "Do I Have What it takes to Lead?". In that session, Interns learned how to develop and manage their unique leadership style. Upon experiencing Mr. Campbell's workshop, our young leaders had the following to say:

*"He made everyone happy, hopeful, and optimistic. Awesome!"*

*"Real world application of being a leader, wish there was more"*

*"He was the best speaker I ever had"*

*"Most valuable part was repetition that I am a leader"*

*"Valuable part was telling us that we are leaders and we are good enough"*

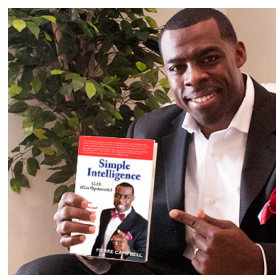

— **Niaomi Carter**, Regional Director, INROADS

*"Pierre is a dynamic speaker. I had the opportunity to attend an engagement entitled "How to Maintain a Powerful Positive Attitude" which was not only informative but entertaining. I strongly recommend this seminar for any group in the customer service field as they will truly find Pierre motivating and stimulating. Even the seasoned professionals leave with new tools to rejuvenate their enthusiasm."*

— **G. Jeana Jenkins**, Campus Director,  
Strayer University

*"I just wanted to follow up with you to give you some feedback on the results of applying principles, strategies and techniques you shared with me on The Leadership Network (TLN) recently. As a result of your advice, I was able to improve relationships with my fellow team members, increase productivity, and foster the development of new relationships and new business. In my mind, this was a no brainer, and a 300% return on investment. Thanks again for The Leadership Network, and I'm honored to be a part of such a wonderful and valuable resource to the business community. Thanks Pierre!"*
